STCGD 2025 Raffle- Two Items!

Own a piece of the STCGD history! The club has decided to retire this beautiful piece of artwork that has been part of the annual Good Sportsmanship Award. At this year's specialty it will be entered into the raffle items (\$5.00/ticket and 5-tickets for \$20.00). The picture was donated to the club by founding member Cass Ridgely when she left the Dayton area for the warmth of Mesa, Arizona. This original Scottish terrier artwork is of one Cass Ridgely's Scottish Terriers, and the artist is S. Blum. Her kennel name was Wayridge. The piece comes beautifully matted and framed and is 25" tall x 29" wide.

Our second raffle item is the original artwork for this year's STCGD specialty theme, Scotties By The Seaside. The club is very lucky to have local artist Peggy Pearce as a member willing to donate her time and talents to the club.

This piece measures 12" x 9" unframed and will be professionally matted and framed before the raffle. We will update the picture online once available.

Tickets: One for \$5.00, five for \$20.00

Tickets can be purchased at Eager Dog when registering

or

Available online at www.stcgd.com

and

Tickets will be available for purchase Friday and Saturday at the show site

Winners will be drawn on Saturday, March 28th between Sweeps & Regular Class Judging at the STCGD specialty. The winner does not need to be present but will need to pay for shipping or arrange for pickup if not at the specialty.

Friday Evening - STCGD Banquet Dinner

By Reservation Only

5:00-8:00pm

*****New Banquet Venue*****

University of Dayton, Kennedy Union

Torch Lounge

300 College Park, Dayton, OH 45469

This year, we are trying out a new banquet site that is closer to the show site. University of Dayton Kennedy Center is just 5 miles away. Given it is on a university campus there will be a procedure that we will need to follow to gain access to the campus parking. Banquet attendees will need to stop and check into Visitor's Center to pick up a parking pass. After your pass is in hand you can proceed to the Kennedy Memorial Union, where you can now park for the banquet in Parking lot B.

Show participants this year will also have the option to leave their dogs at the DDTC during the banquet, so dogs do not need to be left in cars or hotel rooms where barking could upset other hotel guests. We will have a person(s) onsite to ensure the safety of the dogs while you enjoy catching up with friends or making new friends at the banquet. Please note that all dogs will need to be picked up after the banquet ends at 8pm and cannot stay in the building overnight.

If you would like to leave your dog at the show site during the banquet, please notify Gary Stroede at gstroede1@yahoo.com or 937-396-4512.

We hope you join us for an evening of Scotty community building and celebration.

AMERICAN
KENNEL CLUB

AKC[®] Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC[®]) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

We Do for Dogs.**
